Friend of Foreign Languages Award 2012

A nominee for Friend of Foreign Languages (FFL) can be an individual or a group, a business or an institution.

This potential FFL should have concretely and demonstrably helped foreign languages in your area, in the state or in the nation.

If you wish to make a nomination, the process is simple.

1. Make sure your membership is current in the MFLA. (This is always a separate process from joining an AAT...);
2. Let us know why you think the award should be given to your nominee;
3. Give us all the contact information for the nominee that you have at your disposition;
4. If the FFL nominee is local for your area, we probably will be back in touch for more information; if the suggestion is for a nominee who is widely known, it may not be necessary;
5. It will be our hope to involve you in the award process in some way. Therefore, we ask you to provide us with your updated contact information as well.

Send the nomination packet to:

Vernon LaCour, MFLA Executive Director
